

PMH WOOD
PRICE LIST THRU NOVEMBER 30, 2022

Pricing for Milling Your Logs

If you bring us the logs, we charge \$.85 per board foot (based on International ¼ scale for the log) to cut live edge boards and \$.1.05 per board foot to cut dimensional (square edge) lumber. There is a minimum charge of \$50.00. There is an additional \$35 fee for each blade damaged or destroyed by metal, stone, or other material found in your logs. Please schedule an appointment so we can be prepared for your arrival. We can saw logs up to 25” in diameter and 17’ long. If your log is over 25” in diameter, call for a quote.

Rough Cut Hardwood Lumber Prices:

We Charge by the Board Foot*

Most current boards in stock range from 8 to 10 feet in length.

Species	Price for up to 10” wide boards	Price for boards over 10” wide up to 16” wide	Price for boards over 16” wide
Cherry [1]	\$3.60	\$4.60	Individually priced

*A board foot is a unit of volume for timber equal to 144 cubic inches, notionally twelve inches by twelve inches by one inch. On live edge lumber and large checks, we try to be as fair as possible with our calculations. Pricing on softwood includes in stock lumber/logs only.

Wood Stickers

Wood stickers are utilized when stacking lumber to allow air to circulate around the boards. Our wood stickers are 1"x1"x 4'. Wood stickers are three for \$2.00. Wood stickers are available for sale to those who are purchasing lumber.

Payment Methods

We take cash, checks (please have check approved prior to purchase), and credit card. We do charge an additional 5% for use of a credit card to cover the fees charged by the credit card company. There is a \$25 fee plus we charge for any additional bank or other fees charged to us for checks that are not collectible.
